## BASIC-ABSTRACT:

Medicine for giving up drugs is in the form of a medical tablet, a medicated cigarette or a medical soup. The tablet is prepared from 7 Chinese-medicinal materials such as jasmine root extract, Chinese angelica root, ginseng and acanthopanax bark. The medicated cigarette is prepared from 7 Chinese-medicinal materials such as ox gall powder, Chinese brake herb, borneol and tobacco. The medical soup is prepared from ginseng, ophiopogon root, schisandra fruit, prepared aconite root and honey.

ADVANTAGE - The medicines are easy to prepare and effective (&lt;70%).

INT-CL (IPC): A23L 1/29

ABSTRACTED-PUB-NO: CN 1094243A

## BASIC-ABSTRACT:

The dried raw materials of the nine-treasure gruel consist of lotus seed, data, fragrant solomon-seal rhizome, coix seed, lily, fruit of Chinese wolf-berry, root of balloon-flower, Chinese yam, ginseng or codonopsis pilosula.

The prepd dried raw materials are washed and put in a pot, clean water is added, after boiling it is heated continuously with slow heat for 60-90mins., then the gruel is made up.

When cooking the gruel, pig bone, spareribs, or chicken flesh can also be added.

When eating it, some sugar can be added.

USE - The soup possesses health protection properties after taking for long period. Its properties are tonifying qi, replenishing the essence of life, tonifying the kidney, nourishing the heart, arresting convulsion, reinforcing spleen, whetting the appetite, cardiogenic and reducing blood lipid.
